GOVERNMENT OF ODISHA
HOME DEPARTMENT

ORDER

Dated Bhubaneswar the 17th October, 2012

No HOME-MND-CCTNS-0005-2012 (PT.-I) 40902 / In pursuance of guidelines of National Crime Records Bureau, Government have been pleased to constitute a "District Level Technical Infrastructure Committee" under the CCTNS Project with the following members.

1	District SP/DCP	Chairman
2	Representative of the District National Informatics Center (NIC)	Member
3	Nodal Officer of the CCTNS Project of District/DCP	Member
4	District/DCP Reserve Inspector	Member
5	One Committee knowing Officer (DSP/Inspector) of District SP/DCP	Member
6	Representative of BSNL <i>SDO, outdoor site Prasad Nanka PH No - 94370 40700</i>	Co-opted Member

The District Level Technical Infrastructure Committee will perform the following:

- (a) Before inspection the Committee should also check the seal of the State Level Technical Committee seal on the hardware components/ items delivered by the System Integrator
- (b) The Committee should also ensure that sign-off on the hardware should be provided by the SDC/IC of the concerned District SP/DCP.
- (c) The Committee should verify the date of delivery of hardware at each location by inspecting the record available.
- (d) The Committee will ensure the date of warranty begins from the Date of commissioning of the Hardware and should check the record of the commissioning date maintained by the District SP/DCP. The Commissioned date for each location should also be formally communicated to the System Integrator, SPMU and State Nodal Officer.
- (e) The Committee should verify the undertaking given by the vendor stating the hardware procured is new and procured for the CCTNS Project and complies with the specifications provided in the Bill of Material (BOM).
